Then Capt. Greene introduced in succession Mr. Fenton Bagley, Col. Munson, Judge Phillips, Col. Rogers, of Washington, D. C.; J. M. Rusk and Judge Emerson, each of whom made short speeches appropriate to the occasion. Mrs. Bagley, in an admirable address, closed this part of the reception, when the gentlemen and ladies present were introduced and a social hour pleasantly and profitably spent. The program for National reception Thursday evening underwent a sudden and unexpected change. Owing to a pressure of work at National Headquarters the National President, Mrs. Hampton, delegated to the National Counselor, Mrs. Sherwood, and National Senior Vice-President, Mrs. Young, the pleasant duty of arranging the program. Mrs. Young conducted the correspondence and placed the numbers, which were approved by the National President and duly published. When the hour for opening came the quartet was absent and never appeared, and the organ was locked, so that the young lady soloist could not appear on time. Commander-in-Chief Rea was ill, the boys are anxious to convert into Post rooms. Mrs. Wittenmyer was late in arriving, and Chapin-in-Chief Anderson was called from the city by the departure of the Connecticut delegation. At this juncture Mrs. Sherwood, who was responsible for the program (Mrs. Young having retired, ill), introduced Comrade Hendersbott, "Drummer Boy of the Rappahannock," to the audience, who played one of his spirited tunes, and later Gov. Foraker, of Ohio, with Gov. Thayer, of Nebraska; Gov. Beaver, of Pennsylvania, and other distinsuished comrades arrived, and according to Relief orps precedent were introduced to the National

DEPARTMENT OF NEBRASKA. DEAR TRIBUNE: Our Department President has again been on an inspecting tour, going first to Wymore Aug. 7, where she inspected, and initiated one member.
